

Clear-Fusion™ V

Where the Best Begins.

Clear-Fusion V Seals & Protects

*shower doors • countertops • sinks • toilets • mirrors
windows • tiled walls • many other common surfaces*

Cuts down on maintenance time by preventing mineral deposits and soap scum build-up, thus requiring less frequent cleaning. Better yet, when cleaning is required, Clear-Fusion V makes the few spots that do occur much easier to remove.

Why Clear-Fusion V?

-  Makes life easier by reducing cleaning time & effort.
-  Ensures treated surfaces are water repellent, scratch, stain, and impact resistant.
-  Protects most silica-based surfaces.

Clear-Fusion™ V

The eco-friendly answer to cleaning challenges.

Why Clear-Fusion V?

Clear-Fusion V eliminates the need for harsh chemical cleaners and other harmful products by:

-  Reducing the amount of staining that occurs
-  Making the removal of any surface staining much easier
-  Allowing clean up with only clean water & a soft cloth

By significantly reducing the frequent use of harsh cleaners, Clear-Fusion V helps you do your part to protect the environment -- eliminating harmful chemicals that can reach our streams, lakes and oceans, and the air we breathe.

Because Clear-Fusion V extends the useful life of glass & other surfaces, it also reduces the amount and frequency of replacement; lightening the load on our landfills.
